Re: Medical Device Master File (MAF # 1850)

Good Day:

We attach the Certificate of Medical Device Master File (MAF) issued by Registrar Corp verifying that Lubrication Sciences International, Inc. is a Medical Device Master File holder with the U.S. Food and Drug Administration.

Filing of a Medical Device Master File does not in any way denote approval of the firm or its products by the U.S. Food and Drug Administration. Any representation that creates an impression of official approval because of filing of Medical Device Master File is misleading. The U.S. Food and Drug Administration does not issue or recognize certificates of Medical Device Master Files.

Please contact us if you have any additional questions or need additional help with FDA compliance.

Sincerely,

David Lennarz
President
